O R D E R:

The Government of India have given an assurance to the Rulers of the merged States that as far as possible all permanent members of the public services in the States would be absorbed on conditions which will not be less advantageous than those which they were receiving before the merger. They have accordingly directed that the guarantees with reference to permanent public servants should be scrupulously observed. Under the provisions of the Agreements of merger and the Covenants establishing the Union of States, the interests of the permanent members of the public services of the merged and integrated states have been adequately safeguarded. As successors to the Durbars, Government of Madras are anxious to ensure that the guarantees given to the Rulers are fulfilled both in letter and spirit.

2. The Government have had under examination the scope of the term "Absorption" with reference to the members of the public services of the former Indian States of Pudukkottai, Banganapalle and Sandur. According to the latest orders of the Government of India governing central Services permanent services in any grade in pre-merger set up should be treated as permanent services in the equivalent grade in the Central set up, and officiating and temporary service as officiating and temporary service respectively. In consonance with these principles, this Government after careful consideration direct that the following principles be observed in respect of the former State employees since absorbed in the Service of this State:-

(i) a permanent state employee should be absorbed in a permanent post under this Government.,

(ii) if a state employee was holding a permanent appointment and officiating in a higher post, he should on absorption be given a lien on a permanent post and allowed to officiate in a higher post to which he has been appointed and (iii) if his appointment was temporary, he should be treated as temporary under this Government also and that he should take his chances of confirmation along with others.

3. The Collectors of Tiruchirapalli, Kurnool and Bellaryan and all other appointing authorities concerned should give immediate effect to the above orders. They should also submit proposals to Government in the administrative Department concerned wherever necessary for the creation of supernumerary posts if required in case no permanent posts are available on 1-1-49 the crucial date of absorption in respect of Banganapalle and Pudukottai and 1-9-49 in respect of Sandur.
